Mocha Coconut Frappuccino

Serves: 1

INGREDIENTS

1/2 cup shredded coconut
 3/4 cup strong coffee (chilled)
 1 cup low-fat milk
 1/3 cup Hershey's Chocolate Syrup
 3 tablespoons granulated sugar
 2 cups ice

PREPARATION

Preheat oven to 300 degrees. Spread shredded coconut on a baking sheet and toast coconut in the oven. Stir the coconut around every 10 minutes or so for even browning. After 15 to 20 minutes the shredded coconut should be light brown. Cool it off. Make double-strength coffee by brewing with twice the coffee required by your coffee maker. That should be 2 tablespoons of ground coffee per each cup of coffee. Chill before using. To make the drinks, combine cold coffee, milk, 1/3 cup of the toasted coconut, 1/3 cup chocolate syrup, and sugar in a blender. Blend for 15 to 20 seconds to dissolve sugar. Add ice and blend until ice is crushed and the drink is smooth. Pour drinks into two 16-ounce glasses. Garnish each drink with whipped cream, a drizzle of chocolate, and a pinch of some of the remaining toasted coconut. Add a straw to each one.

Coffee Dessert Recipes

Caramel Scones

INGREDIENTS

3 cups unbleached all purpose flour
1/2 cup unsalted or salted butter (or margarine)
3/4 cup half and half or light whipping cream
1/3 cup granulated sugar
1/2 teaspoon salt (if unsalted butter is used)
1 tablespoon baking powder
1 cup milk (for best results use whole milk)
1 egg
2 teaspoons vanilla
1 cup butterscotch baking chips

Topping:

1/3 cup butterscotch baking chips, fine chopped (use food processor)
1 egg white, slightly beaten
Confectioner's (powdered) sugar (optional)

PREPARATION

Preheat oven to 425 F.

Line a baking sheet with parchment paper. Place flour and butter in a medium mixing bowl, combine with your fingers to a coarse meal consistency. Add sugar, baking powder and salt (if used) combine well. Stir in cream, vanilla and egg, blending well to form a soft dough.

Scoop mixture onto baking sheet. Brush tops with beaten egg white; sprinkle ground butterscotch chips over top. Bake until browned - 16-18 minutes. Dust with confectioner's sugar when cool.

Pumpkin Scones

INGREDIENTS

2 cups all-purpose flour
7 Tablespoon sugar
1 Tablespoon baking powder
1/2 teaspoon salt
1/2 teaspoon ground cinnamon
1/2 teaspoon ground nutmeg
1/4 teaspoon ground cloves
1/4 teaspoon ground ginger
6 Tablespoon cold butter
1/2 cup canned pumpkin
3 Tablespoon 1/2 and 1/2
1 large egg

Glaze:

1 cup plus 1 Tablespoon powdered sugar
2 Tablespoon whole milk

Icing:

1 cup plus 3 Tablespoon powdered sugar
2 Tablespoon whole milk
1/4 teaspoon ground cinnamon
1/8 teaspoon ground nutmeg
Pinch of ginger
Pinch of ground cloves

PREPARATION

Preheat oven to 425 degrees F. Lightly oil a baking sheet or line with parchment paper.

Combine flour, sugar, baking powder, salt, and spices in a large bowl. Using a pastry knife, fork or food processor, cut butter into the dry ingredients until mixture is crumbly and no chunks of butter are obvious. Set aside.

In a separate medium bowl, whisk together pumpkin, half and half, and egg. Fold wet ingredients into dry ingredients. Then form the dough into a ball.

Pat out dough onto a lightly floured surface and form it into a 1-inch thick rectangle that is about 9 inches long and 3 inches wide. Use a large knife or a pizza wheel to slice the dough twice through the width, making three equal portions. Cut those three slices diagonally so that you have 6 triangular slices of dough. Place on prepared baking sheet.

Bake for 14–16 minutes. Scones should begin to turn light brown. Place on wire rack to cool

TO MAKE THE PLAIN GLAZE:

Mix the powdered sugar and 2 tablespoons milk together until smooth.

When scones are cool, use a brush to paint plain glaze over the top of each scone.

AS THAT WHITE GLAZE FIRMS UP, MAKE THE SPICED ICING:

Combine the ingredient for the spiced icing together. Drizzle this thicker icing over each scone and allow the icing to dry before serving (at least 1 hour). A squirt bottle works great for this, or you can drizzle with a whisk.

Cranberry Orange Scones

I N G R E D I E N T S

3 cups all-purpose sugar
1/3 cup sugar
2 1/2 teaspoons baking powder
1 teaspoon salt

3/4 cup (1 1/2 sticks) chilled unsalted butter, cut into 1/2 -inch pieces

1 cup chilled buttermilk

PREPARATION

Preheat oven to 400°F. Line baking sheet with parchment paper. Sift flour, sugar, baking powder, salt and baking soda into large bowl. Mix in orange peel. Add butter and rub in with fingertips until mixture resembles coarse meal.

Mix in dried cranberries. Gradually add buttermilk, tossing with fork until moist clumps form. Turn dough out onto lightly floured work surface. Knead briefly to bind dough, about 4 turns. Form dough into 1-inch-thick round (or slightly thicker). Cut into small wedges, or use a small round cookie cutter, about 2 inches in diameter (they spread out a lot). Transfer wedges to prepared baking sheet, spacing 2 inches apart. Bake until tops of scones are golden brown, about 25 minutes. Let stand on baking sheet 10 minutes. Serve scones warm or at room temperature.

Date Scones

 1/2 cup unsalted butter, chilled
 1 egg
 2/3 cup buttermilk
 2/3 cup chopped dates

PREPARATION

Combine the all-purpose and whole wheat flours, the bran, baking powder, soda, salt, cinnamon and brown sugar. Cut in the butter. (Or combine in a food processor, just until crumbly.) Add the egg, buttermilk, and dates; do not over mix. (If the dough seems too sticky to work with add a couple more tablespoons flour.) Shape the dough into a rectangle about 1 inch thick on a floured surface. Cut into 12 triangles.

Bake on an ungreased baking sheet in a preheated 350 degree F oven about 25 minutes. Cool on a rack.

Maple Nut Scones

 2 1/2 tablespoons cold butter (small pieces)
 1 large egg
 1/2 cup half-and-half or heavy cream
 1/2-3/4 teaspoon maple extract
 2/3 cup coarsely chopped pecans

Maple Glaze:

1 1/2 cups powdered sugar
 1/2 teaspoon maple extract
 5 teaspoons water

PREPARATION

Preheat oven to 425°F. Using a food processor or blender, finely grind oats. In a mixer, mix flour, oats, sugar, salt and baking powder. Add maple syrup and butter and mix well. In a small bowl, beat the egg with the cream and maple extract. Pour the egg mixture into the flour mixture and mix well. Add pecans and mix just to incorporate. Place dough on a floured surface. Knead and pat dough into a 8 to 10 inch circle and cut into 8 wedges. Spray a baking sheet with cooking spray. Place wedges on top and bake for 13 to 15 minutes, or until light brown. Remove scones from oven to wire rack. Let cool about 3 to 5 minutes. Mix glaze ingredients until smooth. Adjust the amount of water to get to the desired consistency. I like the glaze to be rather thick. Spread lots of glaze over each scone and dry about 15 minutes before serving.

Lemon Tipped Biscotti

INGREDIENTS

Biscotti:

6 tablespoons unsalted butter, at room temperature
 1/2 cup granulated sugar
 1 tablespoon grated lemon zest
 2 large eggs
 1 teaspoon vanilla extract
 2 cup all-purpose flour
 2 teaspoon baking powder
 1/4 teaspoon salt
 1 cup shelled pistachios, roasted and coarsely chopped For the

Lemon Icing:

2 cups sifted confectioners' sugar
 1 teaspoon grated lemon zest
 1/4 cup lemon juice

Preheat an oven to 375 F. In a large bowl, beat the butter, sugar and lemon zest until well blended. Add the eggs, one at a time, beating well after each addition. Stir in the vanilla. In a small bowl, combine the flour, baking powder and salt. Add to the butter mixture and blend thoroughly. Stir in the nuts. The dough will be soft. On a lightly floured work surface, divide the dough in half. Lightly flour each piece and shape it into a log about 1 1/2" in diameter and 9" long. Place the logs about 3" apart on an ungreased baking sheet. Press each log down to make it about 3/4" thick and 3" wide. Bake until puffed and lightly browned on top, about 20 minutes. Cool 10 minutes on the pan, then slide the logs onto a work surface. Using a long, sharp knife cut each log crosswise into 3/4" thick slices. Make each cut with a single swipe of the blade. Don't use a sawing motion, which will break the cookies. Place the cookies, cut side down, on the baking sheet. (The cookies can be touching.) Bake 10 minutes. Remove from the oven and, using tongs, turn each cookie over. Bake until the biscotti are golden, 10 minutes more. Transfer to wire racks to cool completely.

Icing:

In a small bowl, combine the sugar, lemon zest and lemon juice and beat until smooth. Beat in additional drops of lemon juice if necessary to make an icing that will coat the biscotti lightly. Dip one end of each biscotti in the icing, turning to coat the tip evenly. Place on a wire rack until the icing sets. Makes about 2 1/2 dozen Biscotti.

PREPARATION

Preheat an oven to 375 F. In a large bowl beat the butter, sugar and lemon zest until well blended. Add the eggs, one at a time, beating well after each addition. Stir in the vanilla. In a small bowl, combine the flour, baking powder and salt. Add to the butter mixture and blend thoroughly. Stir in the nuts. The dough will be soft. On a lightly floured work surface, divide the dough in half. Lightly flour each piece and shape it into a log about 1 1/2" in diameter and 9" long. Place the logs about 3" apart on an ungreased baking sheet. Press each log down to make it about 3/4" thick and 3" wide. Bake until puffed and lightly browned on top, about 20 minutes. Cool 10 minutes on the pan, then slide

the logs onto a work surface. Using a long, sharp knife cut each log crosswise into 3/4" thick slices. Make each cut with a single swipe of the blade. Don't use a sawing motion, which will break the cookies. Place the cookies, cut side down, on the baking sheet. (The cookies can be touching.) Bake 10 minutes. Remove from the oven and, using tongs, turn each cookie over. Bake until the biscotti are golden, 10 minutes more. Transfer to wire racks to cool completely.

Icing

In a small bowl, combine the sugar, lemon zest and lemon juice and beat until smooth. Beat in additional drops of lemon juice if necessary to make an icing that will coat the biscotti lightly. Dip one end of each biscotti in the icing, turning to coat the tip evenly. Place on a wire rack until the icing sets.

Ginger Cookies

I N G R E D I E N T S

2 1/4 cups all-purpose flour
 2 teaspoons baking soda
 1/4 teaspoon salt
 1 teaspoon ground cinnamon
 1 teaspoon ground ginger
 3/4 cup (1 1/2 sticks) unsalted butter, softened
 1 cup packed dark brown sugar
 1 extra-large egg
 1/4 cup regular molasses (blackstrap is too strong for this cookie)
 Granulated sugar (for coating cookie dough before baking)
 Non-stick vegetable spray (optional, for coating the scoop)

P R E P A R A T I O N

Preheat oven to 375 degrees with the rack in the center. Line 2 baking sheets with parchment paper, silicone pan liners or aluminum foil (if using foil, grease foil with 1 tablespoon butter or solid vegetable shortening). Set aside. Sift flour, baking soda, salt, cinnamon and ginger into a medium bowl. Set aside.

Cream the butter and brown sugar in a large mixing bowl with mixer on high speed until light and fluffy, about 1 minute. With mixer on medium speed, beat in the egg and molasses, then increase the speed to high and beat about 1 minute longer, until the mixture no longer looks curdled. Scrape the sides with a rubber spatula several times while mixing.

Mix in the flour mixture on low speed. The batter will be rather stiff. Place some granulated sugar on a small plate or saucer. Use a 1/4-cup ice cream scoop or a measuring cup to form 1/4-cup portions of dough. (Spray the cup or scoop with the optional non-stick vegetable spray to make it easier to release the dough.) Transfer the dough to your hands and roll each portion into a rough ball, then roll each ball into the sugar. Place six sugared balls on each baking sheet, spacing them evenly, because they will spread during baking. Dampen your fingers with water and press down lightly on each cookie to flatten it a little and dampen the top. Refrigerate one filled baking sheet while the other bakes. Bake for 12 minutes, or until the cookies have spread and are firm to the touch. Rotate the sheet 180 degrees halfway through the baking time. Remove from the oven and let the cookies cool on the baking sheet.

Note: This dough can be frozen for slice-and-bake cookies. Just roll into a log 2 1/2 inches thick. Wrap in plastic wrap and then in foil. Can be stored in the freezer up to 6 months.

Gingerbread

INGREDIENTS

1 1/2 cups all-purpose flour
1 teaspoon salt
2 teaspoons ground cinnamon
1/2 cup butter, softened
1 teaspoon ground cloves
1 cup white sugar
2 1/4 teaspoons ginger
1 teaspoon baking soda
1 teaspoon orange extract (optional)

1 teaspoon vanilla extract
2 1/2 cups confectioners' sugar

Pour the batter into a loaf pan. Bake for 40-50 minutes, or until a toothpick inserted into the center of the cake comes out just slightly sticky. (Be careful not to over bake, for this cake can dry out easily. Just remember that the toothpick shouldn't come out clean, but a little sticky).

PREPARATION

Cream butter and sugar together until light and fluffy. Add egg and mix well. Sift dry ingredients together. Add flour mixture to the butter mixture, alternating with milk. (Begin and end with flour for the best texture. Not sure why, but this works.) Toss blueberries with lemon rind and gently fold into batter. Do not over-mix. Fill 12-cup muffin tin with paper cups or grease with butter. Fill 2/3 full with batter. Bake in preheated 375F oven for 15-20 minutes. Remove from tins and cool on rack.

Pumpkin Cream Cheese Muffins

INGREDIENTS

3 cups all-purpose flour
1 teaspoon cinnamon
1 teaspoon nutmeg
1 teaspoon ground cloves
4 teaspoons pumpkin pie spice
1 pinch cardamom (optional)
1 teaspoon salt
1 teaspoon baking soda
4 eggs
2 cups sugar
2 cups pumpkin
1 1/4 cups vegetable oil
8 ounces cream cheese
chopped pumpkin seeds or walnuts or pecans

PREPARATION

Preheat oven to 350. Put the entire brick of cream cheese on a piece of wax paper or parchment paper and shape it into a long log. Put it in the freezer while you mix and fill the pans, up to an hour. Unwrap and cut with a sharp knife so each cream cheese disk equals 1-2 teaspoons. If the cream cheese disks are too big around, cut thick slices and then cut them in half. This lets you push it down into the batter easier. Mix all ingredients together (except cream cheese and nuts). Fill muffin tins (greased or paper cups) half full. Put cream cheese disc in the middle, pressing down. Sprinkle with 1 teaspoon chopped nuts. Bake at 350 for 20-25 minutes, until a toothpick comes out clean from the muffin part (do not touch the cream cheese!). Let cool in pans for 5 minutes, then remove to racks to cool completely. Do not touch the cream cheese until it cools.

Cranberry Bliss Bars

INGREDIENTS

Bars:

1 cup butter (2 sticks, very soft)
1 cup brown sugar
1/3 cup granulated sugar
3 large eggs
2 teaspoons orange extract (or vanilla)
2 cups flour
1 1/2 teaspoons baking powder
1 teaspoon ground ginger
3/4 cup raisins (dried cranberries)
3/4 cup white chocolate chips

Frosting:

3 ounces cream cheese, softened
2 tablespoons butter, softened
3 cups confectioners' sugar
2 teaspoons orange extract (or vanilla)

Topping:

1/3 cup raisins, chopped
1-2 tablespoon grated orange rind
1/3 cup white chocolate chips
1/2 teaspoon canola oil

PREPARATION

Preheat the oven to 350 degrees (325 for a glass or dark pan). Prepare a 9x13 pan (or 10x15 pan) by lining it with parchment paper or use a non-stick spray. Bars: With an electric mixer, beat together butter and sugars until fluffy; add eggs and orange extract and beat until combined. Add the flour, baking powder, and ginger and beat briefly. Add the cranberries and chips, stirring just to blend and being careful not to overmix. Spread thick batter in prepared pan and bake 350 (23-24 minutes for 10x15, 27 minutes for 9x13), until the edges are light brown and a skewer inserted into the center comes out mostly clean. Let it cool completely. Frosting: Blend cream cheese and butter until fluffy. Add orange extract and confectioner's sugar and beat until frosting is fluffy and spreadable (adding 1 t. milk if needed). Spread evenly over cooled bars. Garnish: Use a zester to remove rind from an orange. Chop 1/3 cup Raisins coarsely. Sprinkle this garnish of orange zest and Raisins over frosted bars. For the final topping, mix white chocolate and oil in a glass measuring cup. Microwave 60% power for 1 minute; stir. Repeat 1 more minute at 60% power; stir. Use a fork to drizzle the white chocolate in thin diagonal strips across the bars. Allow one hour for the white chocolate to set before cutting. Cut jelly roll pan into 20 large squares (5 cuts by 4 cuts with the knife). Then cut each square in half diagonally (see additional photos which show this step).
