

# "La Vecchia": Photographic Evidence it was painted by Leonardo Da Vinci, of Beatrice d'Este, with a Camera Obscura. 2023

Monday, April 17, 2023 5:33 PM

The nose in the painting can provide forensic art evidence of the use of a camera when correlated to this drawing of Beatrice d'Este.

It's signed "LDV" by Leonardo Da Vinci, just like these other examples from his known paintings.

The image of the hand was traced from this other drawing of Beatrice d'Este.
